Trevor Willis (teacher/hub lead practitioner)

This session will have a focus on:

- **National and local updates and events**
- **Messages and experiences of OFSTED relating to Secondary RE/RS**
- **Models and ideas for effective RE/RS assessment**

We look forward to meeting and working together to extend our practice and plan for great outcomes for our learners.

If you have an example of good practice in assessment or an experience of OFSTED inspection to share, please do bring it along!

Content will be relevant to Community and Church Schools alike and for all secondary Key Stages. As well as offering resources and strategies to take away, **the session will also allow time for you to network and share your own school practice.**
